For Professional Clients only. Investors should read the Key Investor Information Document and Prospectus prior to investing.

Investment Objective and Strategy

Global Equity Select Fund – UCITS is a long-only concentrated global equity portfolio of 25-45 companies with the aim of outperforming the MSCI World Net Total Return Index across multiple market conditions.

The stocks are selected using a distinctive and proven Life Cycle inspired investment approach and combined into a portfolio with relatively balanced style characteristics where stock picking success is the primary driver of relative returns.
