1. The name of the Fund was changed from "Resolution Capital Global Property Securities Fund" to "Resolution Capital Global Property Securities Fund (Managed Fund)" on 22 February 2022 in order to facilitate quotation of the Fund on the ASX. 2. As at 31 March 2024.

3. Investors should note that the name of the Fund was changed from "Firetrail S3 Global Opportunities Fund (Managed Fund)" to "Firetrail S3 Global Opportunities Fund" on 11 October 2022 in order to facilitate quotation of the Fund on the ASX

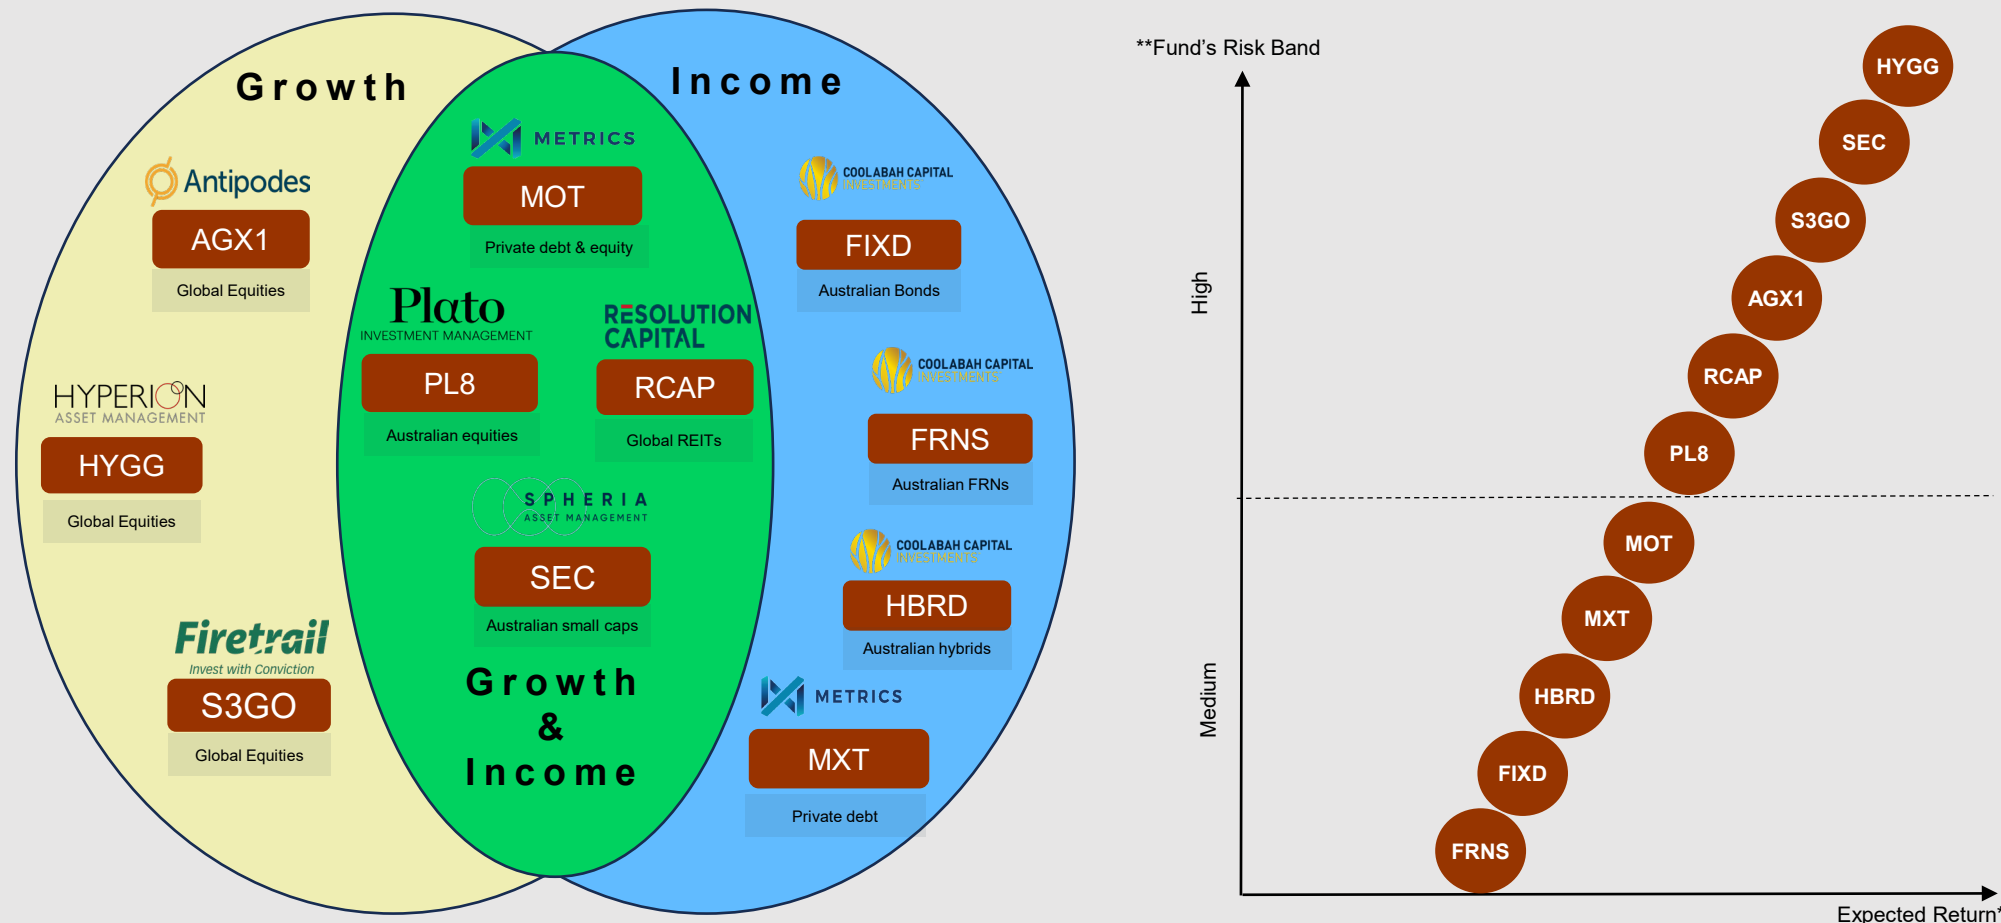

4. RCAP's investments in global listed REITs and real estate securities are typically dividend paying securities. Investors should recognise that the Fund distributes quarterly and that the amount distributed in any given quarter may vary. RCAP may be appropriate for investors seeking supplemental income. 5. The categorisation of SEC being

grouped as being capital growth and income may differ from the TMDs of the equivalent unlisted fund, the 'Spheria Australian Smaller Companies Fund' which has an investment objective purely growth. However, given SEC is a Listed Investment Company the TMDs of the unlisted fund do not directly apply as investment outcomes in SEC

can vary in comparison with the underlying fund. For example SEC has a target dividend of 5% of its post-tax NTA where the underlying fund does not have this target. 6. The Fund was previously known as the Smarter Money Higher Income Fund ARSN 601 093 485. On 5 September 2023, it was renamed to the Coolabah Short Term

Income Fund to coincide with the launch of the quoted "Managed Fund" Class (CXA: FRNS). The research ratings and assets of this fund are related to the underlying fund.
