Independent audit report to the unitholders of Pinnacle aShares Global Dynamic Income Fund (Managed Fund)	22

These financial statements cover the Pinnacle aShares Global Dynamic Income Fund (Managed Fund) as an individual entity.

The Responsible Entity of the Pinnacle aShares Global Dynamic Income Fund (Managed Fund) is Pinnacle Fund Services Limited (ABN 29 082 494 362). The Responsible Entity's registered office is Level 19, 307 Queen Street, Brisbane, QLD 4000.

Directors' report

The directors of Pinnacle Fund Services Limited (ABN 29 082 494 362 AFSL No. 238371), the Responsible Entity of Pinnacle aShares Global Dynamic Income Fund (Managed Fund) (the "Fund"), present their report together with the financial statements of the Fund, for the period from 15 July 2019 to 30 June 2020.

Principal activities

The Fund is a registered managed investment scheme domiciled in Australia.

Until its termination, the Fund invested primarily in global listed equity securities on recognised exchanges and investment grade bonds that are suitable under the AQUA rules. The Fund is also permitted to utilise exchange traded derivatives for risk management purposes and to achieve equity exposure. The Fund will only utilise over-the-counter derivatives for the purpose of currency hedging and will not engage in short selling or securities lending. Derivatives will not be used for leverage or gearing purposes by the Fund.

The Responsible Entity resolved and approved to wind up the Fund on 27 May 2020. It determined, in accordance with the Fund's constitution, that it was in the best interests of unitholders to wind up the Fund effective 25 June 2020.

These financial statements for the period ended 30 June 2020 are prepared on a liquidation basis. The directors considered the Fund to not be a going concern and they resolved on the termination date above to wind up the Fund.

Omega Global Investors Pty Ltd is the Investment Manager of the Fund.

The Fund did not have any employees during the period.

Directors

The following persons held office as directors of Pinnacle Fund Services Limited during the period or since the end of the period and up to the date of this report:

Mr I Macoun

Mr A Ihlenfeldt

Mr C Kwok

Mr A Whittingham (appointed 5 August 2019)

Mr T O'Callaghan (resigned 5 August 2019)

The Responsible Entity also has a Compliance Committee consisting of one non-independent person and two independent persons. The committee's role is to oversee the compliance requirements of the Fund operated by the Responsible Entity. The committee met four times during the financial period under review.

Review and results of operations

These are the final financial statements for the Fund, which wound up on 25 June 2020. During the period prior to its termination, the Fund continued to invest in accordance with its investment objective and investment strategy as set out in the offer documents of the Fund and in accordance with the provisions of the Fund's Constitution.

Directors' report (continued)

Review and results of operations (continued)

The performance of the Fund, as represented by the results of its operations, was as follows:

	Period from 15 July 2019 to 30 June 2020
Loss for the period (\$)	(99,686)
<i>Distributions</i>	
Total distributions for the period (\$)	177,991
Total distributions (Cents per unit)	33.13

Significant changes in state of affairs

These financial statements for the period ended 30 June 2020 are prepared on a liquidation basis. The directors considered the Fund to not be a going concern and they resolved on the termination date above to wind up the Fund.

The Responsible Entity resolved and approved to wind up the Fund on 27 May 2020. It determined, in accordance with the Fund's constitution, that it was in the best interests of unitholders to wind up the Fund effective 25 June 2020

The outbreak of COVID-19 worldwide has led to extreme volatility in equities markets, which impacted the value of the Fund's assets. Governments have introduced significant fiscal stimulus, but it is still too soon to predict the longer-term economic impacts. The Directors of the Responsible Entity are monitoring the evolution of the situation closely. The Fund has procedures in place to actively monitor its service providers to ensure its continued operational effectiveness. In addition, the Fund is closely monitoring its investment policies, strategies, investment flows, performance and liquidity during this period. As at the date of this report, the fund has not experienced liquidity issues and has been able to facilitate all redemptions when due.

Indemnity and insurance of officers and auditors

No insurance premiums are paid for out of the assets of the Fund in regards to insurance cover provided to either the officers of Pinnacle Fund Services Limited or the auditors of the Fund. So long as the officers of Pinnacle Fund Services Limited act in accordance with the Fund's Constitution and the Law, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund.

The auditors of the Fund are in no way indemnified out of the assets of the Fund.

Fees paid to and interests held in the Fund by the Responsible Entity or its associates

No fees were paid out of Fund property to the directors of the Responsible Entity during the period. Refer to page 9 for fees payable to the Responsible Entity and its associates out of Fund property.

The number of interests in the Fund held by the Responsible Entity or its associates for the period from 15 July 2019 to 30 June 2020 are disclosed in note 10 of the financial statements.

Interests in the Fund

The movement in units on issue in the Fund during the period is disclosed in note 4 of the financial statements.

Directors' report (continued)

Interests in the Fund (continued)

The value of the Fund's assets and liabilities is disclosed in the Statement of financial position and derived using the basis set out in note 2 of the financial statements.

Environmental regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under Commonwealth, State or Territory law.

Rounding of amounts to the nearest dollar

Amounts in the Directors' report have been rounded to the nearest dollar in accordance with that *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise indicated.

Auditor's independence declaration

A copy of the Auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the directors.

1 General information

These financial statements cover Pinnacle aShares Global Dynamic Income Fund (Managed Fund) (the "Fund") as an individual entity. The Fund was constituted on 20 March 2019, registered by the Australian Securities and Investments Commission (ASIC) as a managed Investment Scheme on 20 March 2019 and commenced operations on 15 July 2019. The Responsible Entity resolved and approved to wind up the Fund on 27 May 2020. It determined, in accordance with the Fund's constitution, that it was in the best interests of unitholders to wind up the Fund effective 25 June 2020.

These financial statements for the period ended 30 June 2020 are prepared on a liquidation basis. The directors considered the Fund to not be a going concern and they resolved on the termination date above to wind up the Fund.

The Responsible Entity of the Fund is Pinnacle Fund Services Limited (the "Responsible Entity"). The Responsible Entity's registered office is Level 19, 307 Queen Street, Brisbane, QLD 4000. The financial statements are presented in the Australian currency.

State Street Bank and Trust Company is the custodian of the Fund.

■ The financial statements were authorised for issue by the directors of the Responsible Entity on ~~23~~22 September 2020. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the *Corporations Act 2001* in Australia. The Fund is a for-profit fund for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

The Statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within twelve months.

Compliance with International Financial Reporting Standards

The financial statements of the Fund also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

(b) Financial instruments

(i) Classification

The Fund classifies its financial instruments based on its business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The Fund's portfolio of financial assets is managed and performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy. The Fund's policy is for the Investment Manager to evaluate the information about these financial assets on a fair value basis together with other related financial information.

For equity securities and derivatives, the contractual cash flows of these instruments do not represent solely payments of principal and interest. Consequently, these investments are measured at fair value through profit or loss.

For debt securities, the contractual cash flows are solely payments of principal and interest, however they are neither held for collecting contractual cash flows nor held both for collecting contractual cash flows and for sale. The collection of contractual cash flows is only incidental to achieving the Fund's business model's objective. Consequently, the debt securities are measured at fair value through profit or loss.

2 Summary of significant accounting policies (continued)

(b) Financial instruments (continued)

(ii) Measurement

At initial recognition, the Fund measures financial assets and financial liabilities at fair value. Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in the Statement of comprehensive income. Subsequent to initial recognition, all financial assets and financial liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the financial assets or financial liabilities at fair value through profit or loss category are presented in the Statement of comprehensive income within 'net gains/(losses) on financial instruments at fair value through profit or loss' in the period in which they arise. For further details on how the fair values of financial instruments are determined please see note 4 to the financial statements.

(c) Net assets attributable to unitholders

Units are redeemable at the unitholders' option, however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders.

The units can be put back to the Fund at any time for cash based on the redemption price, which is equal to a proportionate share of the Fund's net asset value attributable to the unitholders.

The units are carried at the redemption amount that is payable at balance sheet date if the holder exercises the right to put the unit back to the Fund. This amount represents the expected cash flows on redemption of these units.

Units are classified as equity when they satisfy the following criteria under AASB 132 *Financial instruments: Presentation*:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Fund's liquidation;
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical;
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Fund, and it is not a contract settled in the Fund's own equity instruments; and
- the total expected cash flows attributable to the puttable financial instrument over the life are based substantially on the profit or loss.

The Fund's units have been classified as equity having satisfied all the above criteria.

(d) Cash and cash equivalents

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash held at call with financial institutions.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as movements in the fair value of these securities represent the Fund's main income generating activity.

(e) Investment income

Interest income on assets at fair value through profit or loss is included in the net gains/(losses) on financial instruments. Other changes in fair value for such instruments are recorded in accordance with the policies described in note 2(b) to the financial statements.

Dividend income is recognised on the ex-dividend date with any related foreign withholding tax recorded as an expense. The Fund currently incurs withholding tax imposed by certain countries on investment income. Such income is recorded gross of withholding tax in profit or loss.

2 Summary of significant accounting policies (continued)

(e) Investment income (continued)

Trust distributions are recognised on an entitlements basis.

(f) Expenses

All expenses, including Responsible Entity's and recoverable expenses fee, are recognised in the Statement of comprehensive income on an accruals basis.

(g) Income tax

Under current legislation, the Fund is not subject to income tax provided it attributes the entirety of its taxable income to its unitholders.

The benefit of imputation credits and foreign tax paid are passed on to unitholders. Please refer to note 2(f) for policy on withholding tax.

(h) Distribution to unitholders

Distributions are payable as set out in the Fund's constitution. Such distributions are recognised as payable when they are determined by the Responsible Entity of the Fund.

Realised capital losses are not distributed to unitholders but are retained in the Fund to be offset against any realised capital gains. Unrealised gains and losses on financial assets and liabilities at fair value through profit or loss that recognised as income are transferred to net assets attributable to unitholders and are not assessable and distributable unit realised.

(i) Increase/(decrease) in net assets attributable to unitholders

The Fund's distributions are classified as distributions paid/payable in the Statement of changes in equity. Income not distributed is included in net assets attributable to unitholders.

(j) Foreign currency translation

(i) Functional and presentation currency

Items included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the "functional currency"). This is the Australian Dollar, which reflects the currency of the economy in which the Fund competes for funds and is regulated. The Australian Dollar is also the Fund's presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at period end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of comprehensive income in other operating income.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when fair value was determined. Translation differences on assets and liabilities carried at fair value are reported in the Statement of comprehensive income on a net basis within net gains/(losses) on financial instruments at fair value through profit or loss.

The Fund does not isolate that portion of gains or losses on securities and derivative financial instruments that are measured at fair value through profit or loss and which are due to changes in foreign exchange rates from those that are due to changes in the market price of securities. Such fluctuations are included with the net gains or losses on financial instruments at fair value through profit or loss.

2 Summary of significant accounting policies (continued)

(k) Receivables

Receivables may include amounts for interest and trust distributions. Trust distributions are accrued when the right to receive payment is established. Interest is accrued at the end of each reporting period from the time of last payment in accordance with the policy set out in note 2(f) above. Amounts are generally received within 30 days of being recorded as receivables.

These amounts are recognised initially at fair value and subsequently measured at amortised cost. At each reporting date, the Fund shall measure the loss allowance on receivables at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Fund shall measure the loss allowance at an amount equal to 12-month expected credit losses. Significant financial difficulties of the counterparty, probability that the counterparty will enter bankruptcy or financial reorganisation, and default in payments are all considered indicators that a loss allowance may be required. If the credit risk increases to the point that it is considered to be credit impaired, interest income will be calculated based on the gross carrying amount adjusted for the loss allowance. A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

The amount of the impairment loss is recognised in the Statement of comprehensive income within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in the Statement of comprehensive income.

(l) Payables

Payables include liabilities and accrued expenses owing by the Fund which are unpaid as at the end of the reporting period.

The distribution amount payable to unitholders as at the end of each reporting period is recognised separately in the Statement of financial position.

(m) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

(n) Goods and Services Tax (GST)

The GST incurred on the costs of various services provided to the Fund by third parties such as custodial services and investment management fees have been passed onto the Fund. The Fund qualifies for Reduced Input Tax Credits (RITC) at a rate of at least 55%; hence investment management fees, custodial fees and other expenses have been recognised in the Statement of comprehensive income net of the amount of GST recoverable from the Australian Taxation Office (ATO). Accounts payable are inclusive of GST. The net amount of GST recoverable from the ATO is included in receivables in the Statement of financial position. Cash flows relating to GST are included in the Statement of cash flows on a gross basis.

(o) Use of estimates

The Fund makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial period. Estimates are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

For the majority of the Fund's financial instruments, observable market prices are readily available. However, certain financial instruments, for example over-the-counter derivatives or unquoted securities, are fair valued using valuation techniques. Where valuation techniques (for example, pricing models) are used to determine fair values, they are validated and periodically reviewed by experienced personnel of the Responsible Entity, independent of the area that created them.

2 Summary of significant accounting policies (continued)

(o) Use of estimates (continued)

The valuation techniques use observable data, to the extent practicable. However, areas such as credit risk (both own and counterparty), volatilities and correlations require management to make estimates. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(p) Rounding of amounts

The Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, relating to the 'rounding off' of amounts in the financial statements. Amounts in the financial statements have been rounded off to the nearest dollar, unless otherwise indicated.

3 Net gains/(losses) on financial instruments at fair value through profit or loss

Net gains/(losses) recognised in relation to financial assets and financial liabilities at fair value through profit or loss:

	Period from 15 July 2019 to 30 June 2020 \$

4 Net assets attributable to unitholders (continued)

The Fund was terminated on 25 June 2020. The remaining net assets of the Fund are recorded as a payable at 30 June 2020.

As at 30 June 2020, net assets attributable to unitholders \$4,163,346 is classified as redemption payable.

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund.

Refer to note 10 for the applicable management fee rates.

Capital risk management

The Fund considers its net assets attributable to unitholders as capital. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

The Fund monitors the level of daily applications and redemptions relative to the liquid assets in the Fund. The Fund's strategy was to hold a certain portion of the net assets attributable to unitholders in liquid investments. Liquid assets include cash and cash equivalents and listed equities. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units, if the exercise of such discretion is in the best interests of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Responsible Entity. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Registered Scheme in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Other information

The directors of the Responsible Entity are responsible for the other information. The other information comprises the information included in the annual report for the period ended 30 June 2020, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors of the Responsible Entity for the financial report

The directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity are responsible for assessing the ability of the Registered Scheme to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Responsible Entity either intends to liquidate the Registered Scheme or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:
